

I am trying to do some advance planning to cover the remaining hikes for the project of rewriting Exploring Wells Gray Park. I figure I have until Thanksgiving weekend before the weather starts getting unreliable. Following is the plan for September, subject to change if we get a rainy day. Please pass this on to your interested members.

Saturday, September 13 - Trophy Mountain Skyline. Ridge connecting Long Hill to the West Summit. Rating 3 stars.

Sunday, September 14 - First Canyon to bottom of Spahats Falls along Clearwater River Trail. Rating 2 stars.

Saturday, September 20 - White Horse Bluff, Rock Roses and Clearwater River Trail. Rating 2 stars.

Sunday, September 21 - Pyramid Mountain. Rating 1 star.

Saturday, September 27 - Ray Springs (morning) and Dragon's Tongue (afternoon). Both 1 star rating.

Sunday, September 28 - The Horseshoe (morning) and Gattling Gorge (afternoon). Both 1 star rating.

Anybody is welcome to come up Friday and stay overnight with us at Trophies Lodge if doing the Saturday hike, or both nights if doing both days. We will work out potluck meals. Please phone [250-374-2351](tel:250-374-2351) or reply to this email generally until late Friday afternoon before each weekend. Phone at Trophies Lodge is [250-674-2927](tel:250-674-2927).

Hope you or some of your members can join us in September.
